# **ACA Acumen Care** **Assisted Living Home**

A residential assisted living home offers a smaller environment that is an actual family home, much like our residents have lived in throughout their lives.

Larger communities with dozens (or hundreds) of people may not be the 'right fit' for some people which has resulted in the popularity of smaller homes such as **Acumen Care Assisted Living Home**.

The hard-working and compassionate staff of **Acumen Care Assisted Living Home** is on duty 24/7. All staff members are licensed or certified by the **Maryland Board of Nursing**.
